6 WAYS TO GET INVOLVED WITH BEDFORD ALUMNI

- 1 REUNITE** † Each class year can host a reunion, or mingle. We assist each Class Representative with promoting their events and maintain the Master Database of Alumni from 1950 to present. We also provide a webpage just for your class for announcements and contact information!
- 2 CELEBRATE** † Bedford Alumni hosts or participates in many events each year including: Hall of Fame, Scholarship Awards, Trade Fair, Summer Festivals, Sporting Events, Fundraisers and more! At each event, you will be able to meet with other fellow Mules.
- 3 REMINISCE** † Follow our social media accounts and discuss the good ol' days. Visit our online pages to honor those who have served our country, those who have passed and those who have become noteworthy. Our forum, Mule Corral, offers an online option to interact with other Bedford Alumni from near or far.
- 4 MENTOR** † Do you have a special skill or talent that you would like to share with current/future students? Become a Mule Mentor and pass on your knowledge so they may gain hands-on, real-world experience for their future careers!
- 5 VOLUNTEER** † Each event that Bedford Alumni hosts needs your time and talents to make it successful. Without you, we would not be able to function. Get involved to give back to your community!
- 6 DONATE** † As with any association, we depend a great deal on the generous support from our community. We have several options to accept your donation, and it can be earmarked for a variety of causes within Bedford Alumni. No amount is too small and is greatly appreciated!
